WEEKLY ENGLISH WORKSHOPS

Would you like some help with English pronunciation or grammar? Weekly workshops on these are offered to the campus community, including all

international scholars and their spouses/partners!

Pronunciation & Fluency workshops meet Wednesdays, 3:30–4:20pm, in COB 270, and Grammar workshops meet Thursdays, 1–1:50pm, in COB 264. Schedules for both are linked at <http://teach.ucmerced.edu/eli>. Choose any of the workshops that interest you. For more information, contact Belinda at eli@ucmerced.edu.

LOCAL CONVERSATION PARTNERS NEEDED

Are you an English speaker interested in other cultures? The Conversation Partner Program needs YOU one hour per week to simply have conversation with an

international student/scholar at UC Merced! Partners can meet in person or virtually. Learn about another person/culture as you help that person get acclimated to living here through conversation. Sign up at http://teach.ucmerced.edu/conversation_partner_program. For more information, contact Belinda at eli@ucmerced.edu.
